

Project Management Professional PMP Exam Preparation Course

دورة مدير مشروع محترف

تم تنظيم هذه الدورة لتأهيل المتقدمين و اعدادهم للتقدم لامتحان "مدير مشروعات محترف" الذي ينظمه معهد ادارة المشروعات الأمريكي

Overview:

Project Management Professional® (PMP) certification is awarded by the Project Management Institute®, USA.

PMP is one of the best certifications recognized by management today.

The PMP is the most valuable certification in high demand. It is surely a good investment...

In our training, we cover Project Management terminology, methods, principles, processes, tools, inputs and outputs.

The PMP® was initiated in 1984 to recognize a demonstrated understanding of the knowledge and skills to lead and direct project teams to deliver results within the constraints of schedule, budget, quality, and resources.

This PMP® Exam Preparation course is intended to prepare attendants to pass the Project Management Professional (PMP®) certification exam offered by PMI

Course Objectives:

The primary objectives of this course are:

- To help candidates pass the exam in the first attempt.
- To understand and be familiar with the Project Management standards as per PMI
- To know the terminology and flow of project processes

Who Should Attend?

The PMP recognizes demonstrated competence in leading and directing project teams. If you're an experienced project manager looking to solidify your skills, stand out to employers and maximize your earning potential, the PMP credential is the right choice for you

Project professionals from all industries including Engineering, Construction, IT, Telecommunication, Maintenance, Manufacturing, Design Office, Power, Oil and Gas, Social Associations, NGOs, Health Care, and Pharmaceuticals, Banking
